about us

Armstrong Floor Products is a worldwide leader in manufacturing and marketing of residential and commercial floor products. With its family of brands, Armstrong offers the most extensive portfolio of products available to fit every flooring need.

SUSTAINABILITY

Armstrong recognizes the importance of protecting the environment and using resources responsibly. We are committed to good environmental stewardship in our dealings with customers, employees, the government and our community. We are systematically reducing our environmental footprint and providing products and services that enable our customers to reduce the environmental impact of the buildings they create.

QUALITY

For more than a century, Armstrong has been providing our customers with the industry's most comprehensive portfolio of beautiful, long-lasting hard surface flooring. Whether you are looking for genuine hardwood, durable laminate or versatile sheet and tile flooring, we have a complete selection of trusted products to meet your needs.
